

LIVING BIBLICALLY "PILOT". NETWORK DRAFT 16. 2/10/16

SCENE H

INT. CHIP AND LESLIE'S APARTMENT - LIVING ROOM - THAT NIGHT
(CHIP, LESLIE)

CHIP ENTERS LOADED UP WITH SHOPPING BAGS. HE SETS THEM DOWN AND HANDS LESLIE A SACK OF CHILD CARE BOOKS. HE HAS A SMALL BLACK PLASTIC BAG UNDER HIS ARM.

CHIP

Got us some baby books. Parenting for Dummies, that one's for me. Did you know the diaper goes on the butt?

LESLIE

Ooo! (OPENS MOMMY BOOK, READS ALOUD)
"What to do when you tear down there."
(SLAMS BOOK) I'll read it another time. What's that one under your arm?

CHIP

Oh, that book about the magical... horse. Who... dances. I believe the title is... Magic Dancin' Horse.

LESLIE GRABS AT THE BAG AND SHE AND CHIP WRESTLE PLAYFULLY FOR IT, HEADLOCKS, NOOGIES, ETC, UNTIL OUT FALLS THE BIBLE.

LESLIE

The Bible? Honey bunches of oats, is this because of what Ray's mom said?

CHIP

It's a lot of things. I mean, I certainly don't want to go to Hell. You know I like my seasons.

LESLIE

Am I married to a religious guy now?
Will we say grace? I need to be able
to eat immediately, Chip. If you start
listening to Creed, I am outta here!

CHIP

There's just a lot going on right now,
you know? We're gonna have a baby. Ray
died. Our President was in Home Alone
Two. It's a lot. This book has helped
millions. Maybe it can help me too.

LESLIE

But you know how you are. Remember
when you got super weirdly obsessed
with nunchucks for like six months?

CHIP

Um, you say "obsessed," I say
"attained a level of nunchaku mastery
that only a select few have possessed
since the downtrodden Okinawan farmers
who originated the weapon!" (OFF HER
LOOK) I see your point. I won't get
obsessed.

SHE KISSES HIS FOREHEAD AND GOES TO BED. CHIP SITS ON THE
COUCH, THEN OPENS THE BIBLE. HE REACHES INTO THE COUCH,
NONCHALANTLY PULLS OUT A NUNCHUCK. HE TWIRLS IT AS HE READS.
HE'S VERY GOOD AT NUNCHUCKING.
