

Find The Funny: Week 1 Homework

Find The Archetypes

Comedic scripts are built around character archetypes. Once you become familiar with the classic archetypes, you will begin to spot them in everything!

To help you get going, here's your assignment:

Read the Comedy Archetype Funsheet. Then watch the Arrested Development Pilot (available on Netflix). As you watch, **determine the archetype(s) for the following characters:**

Character Name	Archetype(s)
Michael	
George Michael	
Lindsay	
Gob	
Buster	
Tobias	
Lucille
