INT. KICKER CAMP - LATER
(DARYL, GIL)

GIL IS BEHIND THE GIFT SHOP COUNTER AT THE DARYL THORKELSON KICKER CAMP. DARYL ENTERS.

START

DARYL

Well, it finally happened.

GIL

You figured out who the Zodiac killer was?

DARYL

No.

GIL

(WORRIED) So he's still out there?

DARYL

Gil!

GIL

Okay, no on the Zodiac Killer. What else what else? You ate an apricot? You got your private eye license? (HOPEFUL) You got Taylor Swift tickets for you and me on my birthday?

THE KICKER-PILOT

1/4

DARYL

Please stop making guesses!

GIL

Because I'm getting too close to the truth?

DARYL

No, because I didn't say "guess".

GIL

It was implied.

DARYL

I just came to tell you that it's official. I'm done with football.

GIL

(GASPS) Who says?

DARYL

Football.

GIL

Football doesn't decide when it's done with Daryl Thorkelson. Daryl Thorkelson decides when he's done with football. Call them!

DARYL

<u>Call</u> football?

GIL

OK, fine, <u>text</u> them. We just can't stand here doing nothing, waiting for you to realize your life is over.

2/4

DARYL

Jesus, Gil.

GIL

This is the worst thing that ever happened! Please don't kill yourself!

DARYL

I wasn't going to.

GIL

Because then I would have to, too. But don't worry, I'd make sure everyone knows that it was football that did this to us, and not the Zodiac killer.

DARYL

Gil, I'm fine. I look forward to retirement. I've got my family.

GIL

Yeah, we do.

DARYL

I've got more books to write --

GIL

(SUPER EXCITED) And your private eye license!

DARYL

Sure.

GIL

We're gonna be fine. You know why.

Because players gonna play, play,

play, play, play --

DARYL

No, don't quote Taylor Swift.

GIL

-- and the haters gonna hate, hate,

hate, hate, hate --

DARYL

Nope.

DARYL WALKS AWAY. GIL DOESN'T SEEM TO NOTICE, CONTINUES TO HAPPILY QUOTE THE LYRICS, BUT NEVER QUITE BREAKS INTO SONG.

GIL

-- Baby, we're just gonna shake,

shake, shake, shake, shake. We shake

it off, shake it off.
